☺ - A combo class was dissolved by the 10th day

* - CA chose to have all 4th and 5th grade classes be combos

Class Size - If a primary grade is listed, it's at the max of **25 students** despite CBA language that states 24 with flexibility of +1 student. If upper grade is listed it means **34 students** in at least one class.

OO is severely impacted in 8th grade. Worst cases: 2 History sections with **38** students; 4 Language with **38**, 1 with **39**; 2 Math with **38**, 1 with **39**; 1 Science with **39**; and an Art section with **41**☺
