

## **March Chants**

What do we want? A fair contract!  
When do we want it? Now!

The time has come to spend down the reserves.  
It's what employees and students deserve!

Bargain don't dictate that's what we believe  
Not doom and gloom budgets made to deceive.

We want a fair contract. We've earned the right.  
Prefer to bargain but prepared to fight!

When workers' rights are under attack  
What do we do? STAND UP FIGHT BACK!
