☺ - A combo class was dissolved by the 10th day

* - CA & KS chose to have all 4th and 5th grade classes be combos

** - School Size total does not include SDC students because they're often bussed to site

If a primary grade is listed, it means it the maximum of **25 students** despite contract language that states 24 pupils with flexibility of +1 student. If upper grade is listed it means **34 students** in at least one class.

OO is severely impacted at 8th grade.

Worst cases: 1 history section with **39** students, 1 Language with **40**, & 1 science with **41**☺
