Caveats -

This advisory vote represents a specific moment in time and is in no way legally binding. We still have a long way to go in terms of interacting with colleagues as we work through the Impasse process.

How each ETA member voted is a private matter, but we had to tie the process to personal emails to ensure integrity.

One member = one vote

Evergreen Teachers Association

One key area of focus is the 51 members who chose not to answer the survey question. A great topic for one-on-one conversations is whether a colleague voted, and if they chose not to participate, asking why.
